RULES OF THE SETTING POLICY

Hatch Warren Under Fives and Kempshott Under Fives Preschool, hereafter be referred to as the "Preschool", promotes simple guidelines to help children to come to terms with the understanding of boundaries, the needs of others and how to play and stay safe. Children who struggle to understand boundaries and rules will not be labelled naughty or humiliated; instead they will be helped to understand why their behaviour is not acceptable, how it can affect others and given positive strategies to overcome it.

Where persistent behaviour difficulties arise our staff will work together with the child and his/her parents to overcome such difficulties. Further information is available in our behaviour management policy.

To help ensure your child enjoys their time at the preschool in a safe environment, we encourage the children to keep a few simple rules that focus on respect for others and personal safety.

- **'Walking Feet' are used indoors. Enjoy running outside.**
- **Shoes shall remain on our feet so that if we tread on anything we are protected.**
- **Water is kept within the water play area.**
- **Sharing toys with our friends & treating each other kindly is a wonderful thing to do. We will use a sand-timer to help us share fairly.**
- **We wear a helmet when we are on a scooter.**
- **We always wash our hands before eating snacks and after using the toilet.**

This policy was adopted at a meeting of the Preschool held on:

Signed on behalf of the Preschool _____
